READY FOR BETTER MEASUREMENTS?

Tape measures are Komelon's core specialty. With decades of innovation and precision engineering, we've become a trusted leader in measuring tools.

LONG TAPES

Komelon long tape measures are designed for accuracy over extended distances, making them ideal for construction, landscaping, and surveying work.

With durable materials and smooth handling, we offer reliable performance in demanding environments and help you measure large areas with ease.

TECH INFORMATION

Rust-resistant hard-chromed blade made of high carbon steel.

Ultra high frequency heated teeth are hardened, which increases the durability of the saw's cutting edge.

Tapered blade provides a smoother, faster cutting performance with the least amount of harm to the cut branch.

Tri-Edge delivers clean and smooth cuts without scratching the surface.

Replacement blades available.

Replacement blades only

Single Wheel

MW12M

MW18M

MW31

SINGLE WHEEL

MW12M

- Adjustable twist and lock handle
- Non-slip tread for improved traction
- Magnifying lens for improved readability
- Accurate gear driven counter with push button reset

ITEM #			MIN	MAX	QTY	UNIT
MW12M	31cm	10cm	10cm	10,000m	(2) 8	Meter/DM

MW18M

- Adjustable twist and lock handle
- Non-slip tread for improved traction
- Magnifying lens for improved readability
- Accurate gear driven counter with push button reset

ITEM #			MIN	MAX	QTY	UNIT
MW18M	45cm	14cm	10cm	10,000m	(2) 8	Meter/DM

EFFORTLESS MEASURING

Our measuring wheels are built to give you accurate results with minimal effort. They're sturdy, easy to use, and designed to perform well on different surfaces.

MK31M

- Comfortable pistol grip
- Adjustable twist and lock handle
- Non-slip tread for improved traction
- Magnifying lens for improved readability
- Accurate gear driven counter with push button reset
- Spring loaded foldable kickstand moulded into counter housing

ITEM #			MIN	MAX	QTY	UNIT
MW31M	79cm	25cm	10cm	10,000m	(1) 2	Meter/DM

OTHER

This category includes a range of practical tools that complement Komelon's main product offering.

Versatile accessories designed to add convenience and support across various measuring and general tasks.

QUICKDRAW PRO

- Universal tape measure holster
- Belt holder feature allows for tape measure to firmly stay on the belt

ITEM #	LENGTH	WIDTH	QTY	EAN-CODE
QD-PRO	-	-	(6) 48	8803005 003708

FLAT TAPE

- Flat steel measuring tape with adhesive back
- Apply to any clean flat surface

ITEM #	LENGTH	WIDTH	QTY	EAN-CODE
FLT13	1m	13mm	(10) 80	8803005 002084
